

Outstanding Volunteer: Rosa Jiggetts, Richmond

Rosa Jiggetts lives and serves as a resource for her own North District, but she feels called to serve the entire Richmond area and is known city-wide as a resource for the homeless and poor. She gives six to eight hours every single day to the community, plus she is on-call twenty-four hours a day. Rosa initiated the “City of Kindness ” slogan soon to be seen on posters and bumper stickers throughout Richmond. Her goal is to focus on the power of good as a means of overcoming crime.
